

READING BAGS

Get students excited about independent reading! Mackin's stylish reading bags will encourage at-home reading and prevent "summer slide."

- Choose books from our wide **variety of leveled titles** that will grab your students' attention and keep them reading all summer long.
- **Customize** your order to enhance your summer reading program and fit your budget.
- **Affordable, fun and effective:** Mackin's reading bags help you accomplish all of your summer reading program goals.

STEP 3: SELECT BOOK LABELS

No labels needed

Reading Program Label

Basic or enhanced reading program labels offer easy-to-spot reading program information, enhancing your school's reading program and helping students track their growth. Your first reading program label is included. Additional labels are 10¢ each.

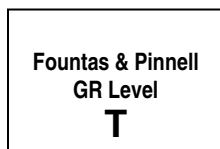

Select your reading program:

- Fountas & Pinnell
- Accelerated Reader
- Reading Counts
- Lexile

Select your label type:

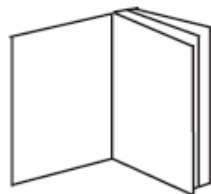

- Basic Label—includes reading level and/or points (for AR or RC). See example A.
- Enhanced Label—includes title, author, reading level, point value, and test number (for AR or RC).
