

10-day risk-free trial!

Teachers, Librarians, Administrators, Curriculum Directors!

Discover the newest RESEARCH TOOL for your school, classroom or library, available exclusively from Mackin!

Tens of thousands of primary source materials, including newspaper articles, rare books, illustrations, photos, maps, videos and documents spanning 400 years of American heritage. All materials aligned to state and national standards.

Plus, teachers can create lesson plans, and students can access their assignments from school or home.

NEW! INTERACTIVE HISTORY GAMES
 Students can learn about the states, Presidents and U.S. History while competing against their friends.

Continually Updated!
 Journey Back in Time is continually updated with new original source materials so you can bring them directly into the library or classroom.

Several Ways to Search!
 Begin your journey with an era, keyword, author or title. Use the dictionary feature to find the definitions of historical words.
