

# CAPSTONE Value★Library

Essential Nonfiction.  
Exceptional **Value.**

At the very moment that unreliable, AI-generated content is flooding the world, library budgets are shrinking. This makes it harder than ever for students to access reliable sources of trusted information. **Capstone Value Library** was created to address that challenge by delivering **straightforward, curriculum-aligned nonfiction** at the lowest possible price, so you can add more new books to your shelves without sacrificing quality.

## A BUDGET-FRIENDLY way to:

- Stock your shelves with new books
- Provide straightforward, consistent, clear content for research
- Support access to trustworthy, reliable sources of information

### **American Revolution Biographies**
