

CLIXO

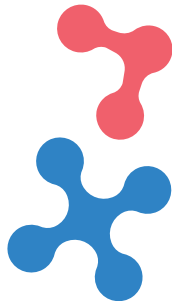

1

Design a creature that could live in a place no human has ever visited. What special features help it survive?

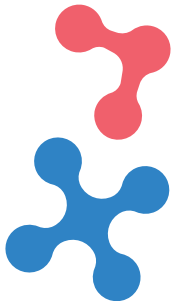

2

Blooming Flower – Design a flower that opens and closes.

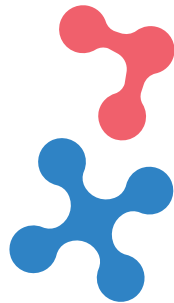

3

Treasure Keeper – Build something that protects a valuable object.

4

Build the tallest free-standing structure you can.

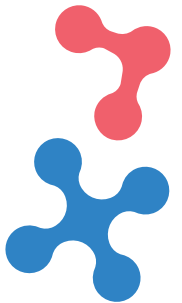

5

Build your favorite animal using only Clixo pieces.

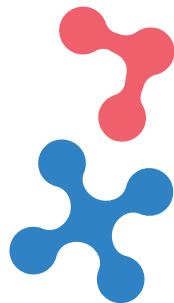

Then modify it so it can:

- Fly
- Swim
- Live in the desert
- Survive in space

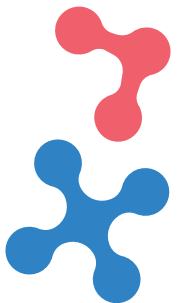

6

Fidget Toy – Design something people would enjoy bending, twisting, or folding.

7

Build a tool or gadget that helps a superhero.
