MackinVIA™

Digital Reading Takes Students Beyond the Printed Page

eBooks
Millions of digital titles including read-along, single-user, multi-user, subscription, interactive, and perpetual license.

Audiobooks
Thousands of digital titles, including popular titles and bestsellers.

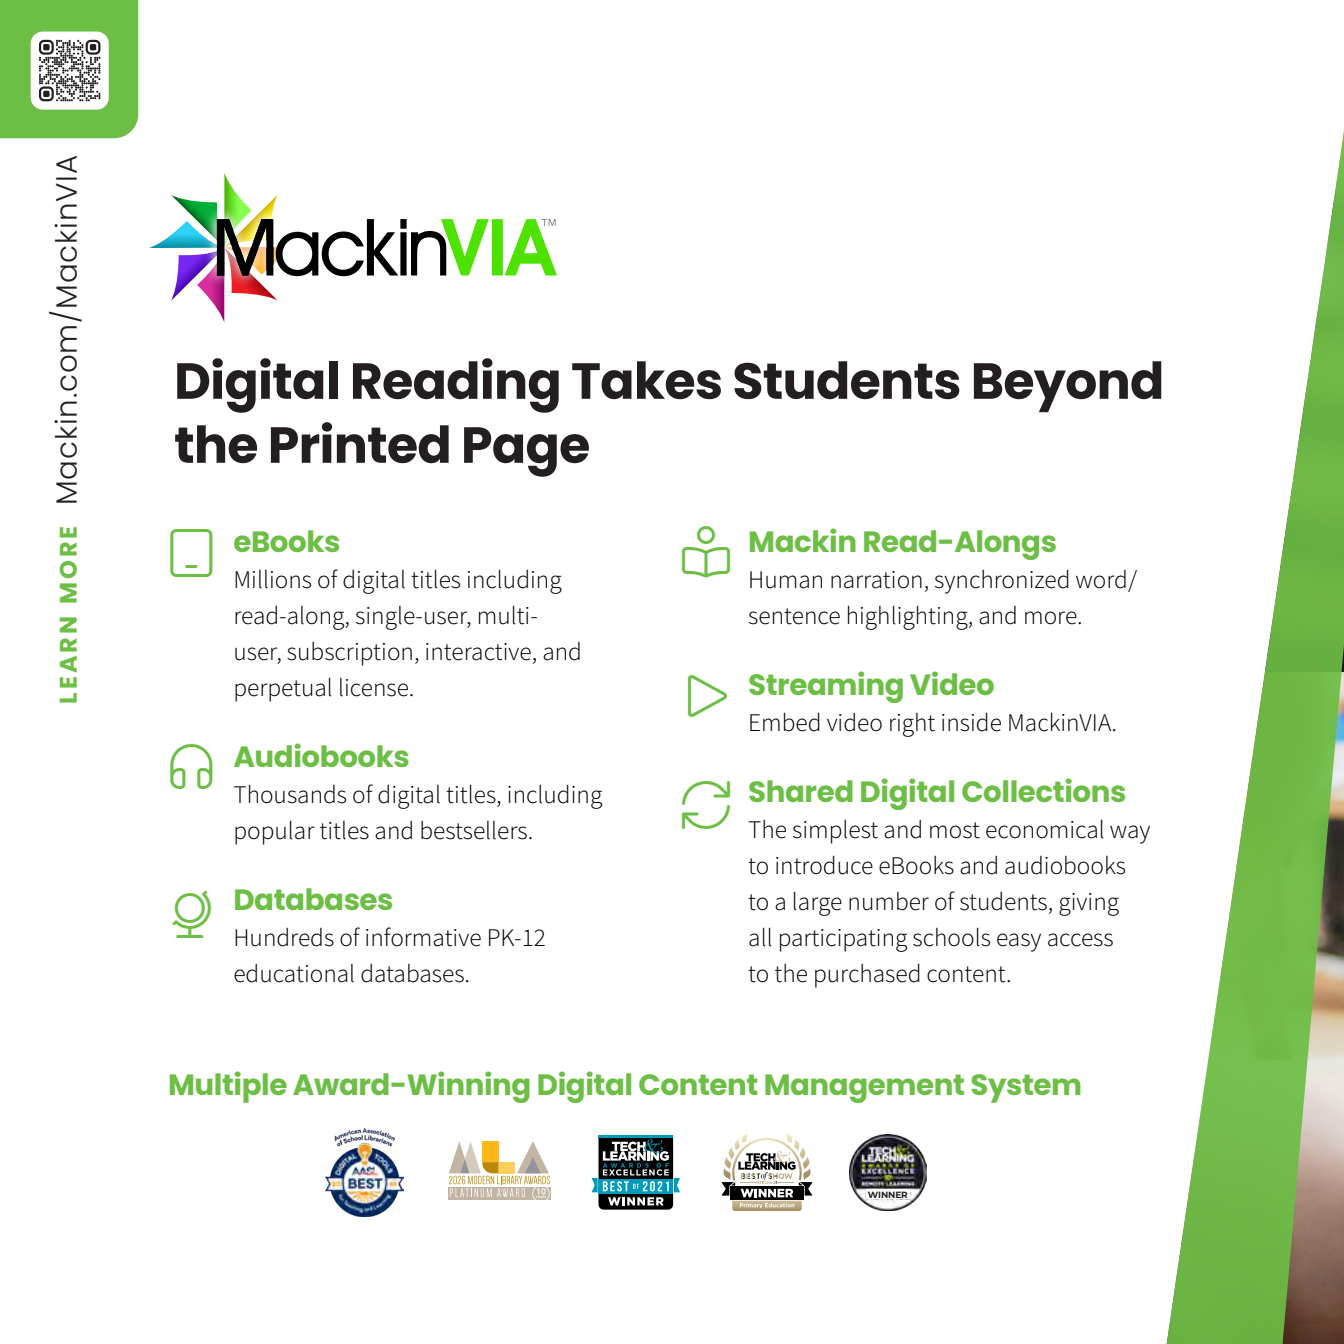
Databases
Hundreds of informative PK-12 educational databases.

Mackin Read-Alongs
Human narration, synchronized word/sentence highlighting, and more.

Streaming Video
Embed video right inside MackinVIA.

Shared Digital Collections
The simplest and most economical way to introduce eBooks and audiobooks to a large number of students, giving all participating schools easy access to the purchased content.

Multiple Award-Winning Digital Content Management System



A third grader joined us mid-year from Kenya. She shared with her teacher that she loves MackinVIA. She logs on at home and reads to her mother. She explained that her mother speaks very little English and that her mother is learning English through MackinVIA!

— Tracey C., Reams Road Elementary School, Richmond, VA

Custom Product Recommendations

Makerspace Furniture

During our MackinMaker selection process, the Mackin representatives were instrumental in working with us to curate maker kits and maker books to fit our student interests, curriculum, and grade levels. Furthermore, they worked closely with us to recommend products that align with our space requirements, technology infrastructure, and circulation needs.
