# LevelUp

A Customized Digital Library for Every Student

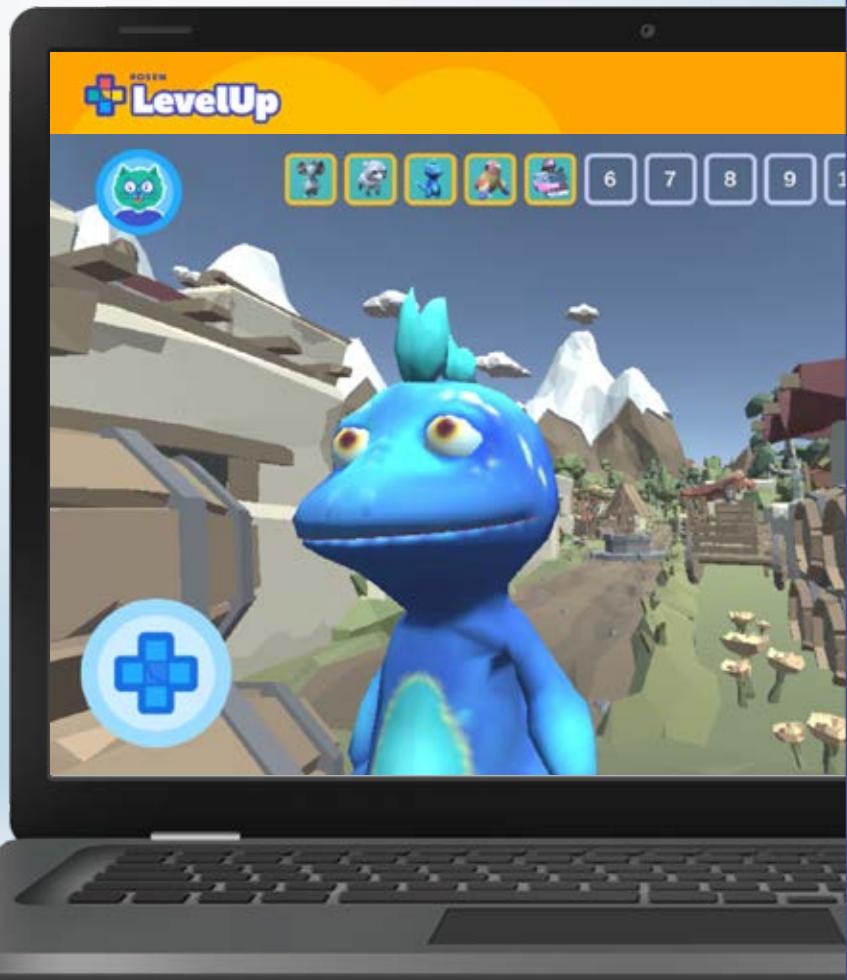

PreK-2+

Foundational Literacy

## Read to Play in an Immersive 3D World

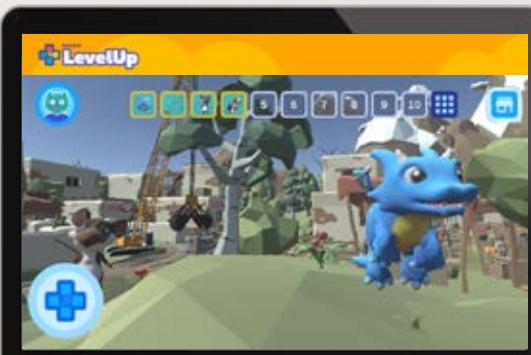

LevelUp's gaming environment maximizes student engagement without distracting from learning goals. The fun, engaging game helps drive student usage by incentivizing reading both in the classroom and at home. Learners will be able to freely play and wander through a state-of-the-art, immersive 3D environment similar to the most popular gaming platforms of today.

Grow Up with LevelUp

To request a Demonstration or a FREE Trial visit [levelupreader.com](http://levelupreader.com) or call us at 800-237-9932.

**Teacher controls** allow  
educators to customize and limit play time

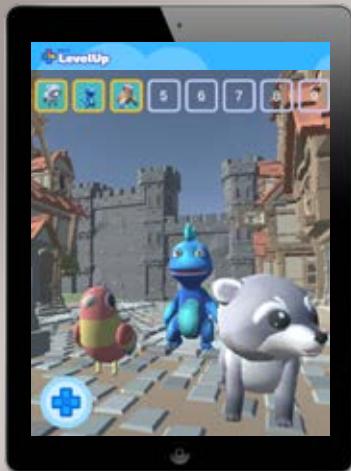

## Students earn “credits”

by completing books, quizzes, and assessments

— ♦ ★ ♥ —  
Gems, stars, hearts, and limited time  
seasonal/holiday gaming currency available this fall!

**Students use credits** to buy characters, props,  
vehicles, and scenes to build a customizable 3D world

**An unlimited number** of game characters  
and settings ensures there is something to entice every learner
