ROSEN LevelUp

A Customized Digital Library for Every Student

PreK-2+ Foundational Literacy

Robust Reporting for Analysis

Rosen LevelUp is a powerful adaptive reading platform that brings educators and students to one engaging platform to foster students' literacy growth. Supporting individualized practice, small group instruction, and classroom instruction, Rosen LevelUp provides a personalized experience – combined with educator tools – to promote and track the successful acquisition of key reading skills utilizing 2,300 high-interest fiction and nonfiction titles.

Rosen LevelUp offers robust, intuitive reporting for analysis. Educators have access to essential reporting at a glance, plus the ability to drill down to over 100 data points at the district, school, class, and student level.
