In 1893, a London-trained lawyer named Mohandas K. Gandhi left his native India, which were ruled directly by the British. Back in his homeland, Gandhi expanded his efforts to end British rule in India.

Busing, which federal judges instituted in many American cities, was called the “Vietnam of the 1970s”—a controversial, polarizing issue that put millions of Americans on the front lines of civil rights. Larry Page and Sergey Brin, the co-founders of Google, are among those who have written eight books in the Civil Rights Movement series published by Morgan Reynolds Publishing.

With All Deliberate Speed: “Don’t Be Evil” motto. Using creative, cutting-edge technology, Page and Brin changed the way the world reads. Today, Google places infographics and charts on websites and offers a link to a friend's profile in their search results. They have transformed the way we search for information and share it with others. This book examines the lives and accomplishments of these two young self-made billionaires. Despite their fame and wealth, they continue to be dedicated to their work and to the civil rights movement.

Mr. Nardo lives with his wife, Christine, in Massachusetts. His writing has appeared in many national publications, including the Boston Globe and the New York Times. He is the author of several critically acclaimed books for young readers, including Black Power, which was named a Notable Social Studies Trade Book for Young People by the American Library Association. He has received the ALA Michael L. Printz Honor Award for his work in historical fiction and received the Parenting Action Award for his book, Champions of Freedom: Nelson Mandela.

“The Civil Rights Movement is a crucial part of American history, and it is important for students to understand the events that led to the passage of the Civil Rights Act of 1964. This book provides a detailed account of the movement and its leaders, and it is well-researched and well-written.” —Booklist

“The Civil Rights Movement is a must-read for students of all ages. It is well-written, well-researched, and well-documented.” —School Library Journal

The Civil Rights Movement is a series of twelve titles that spans the history of the movement, from the early days of the NAACP to the modern era. Each title is written by a different author and covers a different aspect of the movement. The series is available in both print and e-book formats.
